Cemetery Commission

Regulations for the Gill Town Cemeteries

Center, North, West, & Riverside

(excluding Riverside Woods Natural Burial Ground)

1. That the cemetery lot shall be used only for the purpose of burial for the human dead.
2. That no trees or shrubbery shall hereafter be planted on said lot.
3. That the Cemetery Commissioners shall be at liberty to cut down or trim existing trees and shrubbery at their discretion.
4. That no disinterment shall ever be made without permission from the Cemetery Commission.
5. That the proprietor of said lot shall suffer the remains of no person to be deposited therein for hire.
6. That all cornerstones shall be installed within three months from receipt of the deed, and shall be placed flush with the surface of the lot.
7. That all flowers and decorations shall be kept within 18 inches of the front base of the headstone.
8. That no fence or railing shall be put around said lot.
9. If a monument is installed, its foundation shall be so constructed that an apron seven inches wide shall extend outward from the base of the monument at ground level on all sides.
10. That caskets or other burial receptacles shall be enclosed in a vault made of concrete or other equal material.
11. That a maximum of three cremations shall be allowed per single lot, or one cremation and one casket burial per single lot
12. That no tomb shall be erected upon said lot.
