SELECTBOARD MEETING MINUTES
February 22, 2016

Call to Order: The Selectboard meeting was called to order at 5:30 PM.

Members Present: Greg Snedecker, John Ward, and Randy Crochier

Real Estate Liens for Unpaid Sewer Charges: Ronnie LaChance, Tax Collector, met with the Selectboard and made her annual request that in their role as Sewer Commissioners, they have the Board of Assessors place sewer liens on the FY16 real estate bills for properties with unpaid sewer use charges. The list included 9 accounts totaling $5,957.35. LaChance noted that last year’s request had 14 accounts totaling $10,273.96. Randy made a motion, seconded by John, to ask the Board of Assessors place the listed amounts as sewer liens on the FY16 real estate bills. The vote was unanimous in the affirmative.

Retirement Board Meeting: LaChance informed the Selectboard that as Town Treasurer, she will attend the 2/24 meeting of the Franklin Regional Retirement System to support the Selectboard’s letter regarding the proposed 3% COLA for retirement system members.

Minutes: Randy made a motion, seconded by John, to approve the minutes of 1/25/16 and 2/8/16. The vote was unanimous in the affirmative.

Green Community Grant: Warranty replacements for several defective photo sensors for the LED streetlights have been ordered and will be installed once received. A ship date is not yet known for the library’s window inserts.

Sewer I&I Study: Nothing to report.

Safety Complex Roof/ Wall Insulation: There will be a site meeting on 2/23 with Energia and the department heads to discuss logistics and scheduling for the spray foam insulation work.

Gill Elementary Well: The engineers from Wright-Pierce have reported on their initial discussions with DEP regarding the possibility of scaling back the proposed iron & manganese treatment system for the well at the school. DEP has raised some concerns with this approach, but still needs to provide more information. Health Agent Glen Ayers has not yet reported on his conversations with DEP.

Mariamante/Community Solar: Nothing to report.

FY16 Tax Rate Classification Hearing: At 5:45 PM the Selectboard and Board of Assessors held the tax rate classification hearing for FY16. In his role as Chair of the Board of Assessors, Ray presented the Board's recommendations: that the Town again have a single tax rate with no discount for Open Space, no residential exemption, and no small commercial exemption. It was explained that the Town doesn't have enough commercial and industrial businesses to be able to use a split tax rate. While the Town has plenty of open spaces, property is not formally classified as "Open Space" and therefore no discount is allowed. Residential exemptions are intended for cities and towns with large numbers of second homes (mainly on the Cape).

The FY15 tax rate was $16.85/thousand, and the FY16 rate is anticipated to be $16.95/thousand. The average value of a single family home in Gill has increased slightly from $191,954 to $194,461. The annual property tax for a single family home will rise $62 to $3,296 for FY16, up from $3,234 last year.

Assuming voters at tonight’s Special Town Meeting approve the $50,000 of new spending that has been recommended, the excess levy capacity will be $76,629.49, which represents the additional amount of taxes the
Town could have raised and still have been within the limits of Proposition 2 1/2. If voters tonight approve significantly more or less than the $50,000, the Selectboard will need to hold another classification hearing.

John made a motion, seconded by Randy, to accept the Assessors' recommendations on the tax rate classifications. The vote was unanimous in the affirmative. The Selectboard signed the Department of Revenue's Form LA-5. The classification hearing was adjourned at 5:50 PM. The Board of Assessors' meeting was adjourned. Hodsdon Mayo, Griswold, Conway, and LaChance left the meeting.

**Warrant:** The Selectboard reviewed and signed the FY 2016 warrant #18.

The meeting adjourned at 6:03 PM.

*Minutes respectfully submitted by Ray Pwington, Administrative Assistant.*

Board of Assessors recommends voting residential factor of 1 which results in a single tax rate.
Motion for vote:

**Adopt residential factor of 1, which results in a single tax rate.**

Motion for a Negative vote on adoption of:
Open Space Discount
Explanation ---- Do not have open space
Residential Exemption
Explanation ----used in resort communities with large Second Home Population

Total New Growth valuation equals 3,616,770
Tax Levy Growth=$60,943 /16.85 (FY2015 Tax Rate)

\[ \frac{85,368,520}{439} \text{ (101 total value)} = 194,461 \text{ (Average 101 Value)} \]

\[ 194,461 \times 16.95 \text{ (2016 Est. Tax Rate)} = 3,296.11 \text{ (Est. Average Actual Tax)} \]

\[ \$61.84 \text{ over FY2015 (Est. Average Actual Tax)} \]
