SELECTBOARD MEETING MINUTES
May 1, 2017

Called to Order: The meeting was called to order at 5:40 PM.

Members Present: John Ward, Randy Crochier, Greg Snedecker  
Members Absent: none

Others Present: Ray Purington, Administrative Assistant; Janet Masucci, Kent Alexander, and Miranda Davis

Minutes: Randy made a motion, seconded by Greg, to approve the minutes of 4/18/17. The vote was unanimous in the affirmative.

2009 Sterling Truck: The Selectboard discussed an offer from Fred Chase II to bring the truck to Patriot Freightliner in Westminster, Vermont to get a printout of the truck's computer code history, to have the computer updated, and to reinstate the idle time shut off. Patriot was an authorized Sterling dealer (before Sterling went out of business), and is an authorized service rep for Cummins engines. Randy made a motion, seconded by Greg, to authorize the trip to Patriot Freightliner and to reimburse Chase for his time at his usual rate of $75/hour. The vote was unanimous in the affirmative. Ray also reported that Chase was able to modify the exhaust pipe on the truck, and was able to adjust the clutch.

Sewer I&I Study: Town Counsel has not completed her review of the two ideas about ways to identify houses with illicit sump pumps connected to the sewer system. She will be reminded after her busy season for town meetings.

Gill Elementary Well: No progress last week.

Mariamante Property/Community Solar: Nothing to report.

Annual Reports: Nothing to report.

Oak Street Easement: Nothing to report.

Sanctuary City: The topic will be revisited at the May 16th meeting.

FirstLight Ground Rules for Settlement Negotiations: We have not received any wording from Town Counsel to include as a disclaimer on the Settlement Ground Rules that must be signed in order for John Ward (Selectboard) and Phil Gilfeather-Girton (Conservation Commission) to represent the Town at the negotiations with FirstLight and other agencies over a potential settlement agreement related to parts of FirstLight’s relicensing by FERC. The deadline to submit signed Ground Rules is May 8th. Ray will email Mark Wamser, a representative of FirstLight, and notify him that the Town hopes to receive input from Town Counsel in time to approve the Ground Rules at the Selectboard’s budget meeting on May 8th. The next settlement meeting is not until May 25th.

Appointment of Oil Inspectors: The Selectboard discussed a request from Fire Chief Gene Beaubien to appoint Firefighters Scott Nicholas and Shane Wells as Oil Inspectors for the Town. More information was requested, including the credentials of Nicholas and Wels to do the work, and an explanation for switching away from the current Oil Inspector, Joel Tognarelli.

ACT Use of Town Hall: Randy made a motion, seconded by Greg, to approve a request from Amy Gordon to use the Town Hall stage for the Gill Elementary School’s ACT (After-school Community Theater) Program. The dates of use run from May 4 to May 27. The program has 16 participants this year. The vote was unanimous in the affirmative.

2017 Lawn Mowing Bids: The Selectboard reviewed the two bids received for lawn mowing services for the 2017 mowing season. Randy made a motion, seconded by Greg, to award the contract to the low bidder, Art Kaczenski of
Artscape Landscaping. The vote was unanimous in the affirmative. Kaczenski’s total bid, calculated as a typical per mowing cost, was $170, compared to the $195 bid from Snow & Sons.

MassDOT Chapter 90 Contract: A 10-year blanket contract with MassDOT for future Chapter 90 funds was reviewed. Randy made a motion, seconded by Greg, to authorize John to sign the Contractor Authorized Signature Listing and Ray to sign the contract and all related documents. The vote was unanimous in the affirmative.

Memorial Day Services: An invitation from the Memorial Committee to the May 28th Memorial Day Ceremonies was received. Greg volunteered to represent the Selectboard at the event.

Municipal Vulnerability Preparedness Grant: The Selectboard discussed a grant opportunity from the Massachusetts Office of Energy & Environmental Affairs for Municipal Vulnerability Preparedness. It was decided the Town would not participate, unless the Emergency Management Director happens to be interested in the program and available to attend the May 3rd information session.

Start Times: The May 16 and May 30 meetings will start at 6:15 PM.

Kent Alexander and Miranda Davis left the meeting at 6:05 PM.

Warrant: The Selectboard reviewed and signed the FY 2017 warrant #22.

The meeting adjourned at 6:25 PM.

Minutes respectfully submitted by Ray Purington, Administrative Assistant.

Memorial Committee
Hello Town Administrators,

Katie Theoharides from the Massachusetts Office of Energy and Environmental Affairs will be facilitating a question and answer session here at the FRCOG this Wednesday, May 3 at 10:00 a.m., for those interested in learning about and applying for a Municipal Vulnerability Preparedness grant:

Please join us at the
Franklin Regional Council of Governments Office in Greenfield for the
*Municipal Vulnerability Preparedness Program Bidders Conference,*
to answer your questions about the Commonwealth’s new municipal grant program.

The Q & A will take place at
10 AM, Wednesday, May 3rd
12 Olive Street, 1st floor conference room
Greenfield, MA 01301

The *Municipal Vulnerability Preparedness grant program (MVP)* will provide support for cities and towns across the state to begin the process of planning for resiliency. The state will award communities with funding to complete vulnerability assessments and develop action-oriented resiliency plans.

Communities will be able to define extreme weather and natural and climate related hazards, identify existing and future vulnerabilities and strengths, develop and prioritize actions for the community, and identify opportunities to take action to reduce risk and build resilience.

MVP certified providers will be trained in workshops across the state to provide technical assistance to communities in completing the assessment and resiliency plan using the *Community Resilience Building Framework*. Towns and cities will then be able to choose the provider of their choice from a list of certified providers.

Communities who complete the MVP program will become certified as an MVP community and eligible for follow-up grant funding and other opportunities.

*The RFR for communities to enroll in the grant program is posted here*

Please use the number below to contact FRCOG Land Use & Natural Resources Planning Program Manager Kimberly MacPhee with questions regarding the event.
